

BRIORD

Design by
Rémi Bouhaniche

Description

According to Rémi Bouhaniche, it was during the first lockdown in 2020, whilst viewing aerial video imagery of the Briord factories (Ain, France) in which Ligne Roset is based, that he had the idea: to design a piece of furniture inspired by the landscape conjured up by that aerial view of the Rhône and its meanderings around the Bugey mountains. A homage to wood, with lines with the light but asymmetrical lines of nature. Here, Rémi Bouhaniche plays to the Home Office trend, with a desk which is at once elegant and functional, the sleek lines of which are soft yet precise. Black lacquered steel base; top and drawer in black-stained ash.
