

HELLOBYE

Design by
Marion Steinmetz

Description
Console table with black lacquered steel structure. The upper section is in panels of particleboard finished in black-stained ash veneer. The mirrored flap door is held open by two black leather straps. A small removable surface in black-stained ash is located in the right-hand niche, which has a silk grey lacquered interior. The dimensions indicated correspond to the item with the flap door raised; when this is closed the console's dimensions are H 85 W 100 D 35 cm.
