**Design by**  
Pierre Paulin

**Description**

A reproduction of an occasional table which was amongst Pierre Paulin's very first designs from 1953. Scandinavian-inspired, the purity of its lines, its geometric treatment and in particular its four oblique legs are characteristic of the style of the Fifties. Its cutout hand-holds lend it a mobility which also enables it to be used as a serving or breakfast tray. Mobile occasional table in solid natural or black-stained oak or in wild cherry. Top with two cutout handles. Slim lateral edging on the two long sides. The screen-printed signature of Pierre Paulin appears in light grey on the edge of the top near the handle.
