

PAVANE

Design by
Paola Sabourin

Description

The bedroom, seen from a feminine, practical angle, is what provided Paola Sabourin with the inspiration for her Pavane bedside table. The softness of the solid tulipwood is the perfect foil for the salmon pink frosted glass of the top and tray. The latter material is easy to care for: perfect for a bedside table on which one might place books, a bottle of water or even breakfast coffee cups. The solid wood structure encases each edge of the glass used for the top and tray, providing useful 'uprights' to prevent fragile items falling to the floor (watch, alarm clock, jewellery, tablet, smartphone).

Bedside table with structure and base in cherry-stained solid tulipwood. Tops in salmon-coloured frosted glass. May be positioned beside a bed in one of two ways: parallel to the bed (W 35) or perpendicular to it (W 50).
