## Description

The gilded metal of this wall light, with its changing shimmer effect, quickly catches the eye, which will also enjoy following the contours of its petals, perforated and sculpted like the fine lace of a giant filigree jewel, and the play of light and shadow which emanates from it. The best of techniques (laser cutting of metal, LED lighting), put to work to bring enchantment to everyday life. Wall light with gilded nickel-plated steel wall support and rosette in 2 mm thick gilded nickel-plated laser-cut steel. Transparent PVC cable; transparent manual switch. May be wired directly into the wall, or plugged in, with the cord running down the wall. 65 cm LED ribbon, giving a total power of 11 W and emitting 1,040 lumens, or the equivalent of an 85 W incandescent bulb. Colour temperature 2700 K (warm white).

THIS LIGHT CONTAINS INTEGRAL LED LIGHTS OF ENERGY CLASS A+.
