

POSTMODERNE

Design by
Eric Jourdan

Description

THE CONCEPT : for Eric Jourdan's new family of storage, everything revolves around a language of forms. It is the design which guided the project, the pencil drew, adjusted, proportioned the constituent elements of the piece, balancing the tops, for example, with the staggered legs. In its light, asymmetrical, hollowed appearance one recognises the rounded forms so beloved of Eric Jourdan.

BEDSIDE TABLE

Edging in 8 mm multi-ply clad in natural oak, black-stained oak or walnut veneer, with a flat metal reinforcement centre back for rigidity. Choice of 8 finish associations – see following page.

TV UNIT

Edging in 8 mm multi-ply clad in natural oak, black-stained oak or walnut veneer. Base finished in natural oak, black-stained oak or walnut veneer, with a flat metal reinforcement centre back for rigidity. This TV unit boasts a concealed niche (overhang to left) ; its interior is lacquered to match the exterior; niche is opened with a push catch. A cable port and ventilation grille can be found to the rear of the carcass. Choice of 8 finish associations – see following page.

SIDEBOARD

Edging in 8 mm multi-ply clad in walnut veneer. Rounded carcass (left-hand side) finished in argile or plomb lacquer. Doors and drawers are always finished in natural varnished walnut veneer with interiors in argile or plomb lacquer. Tops in a choice of gloss black marble-effect ceramic stoneware or lacquered MDF (choice of argile or plomb). Choice of 4 finish associations – see following page.

DESK

Rounded carcass finished in natural varnished walnut veneer. Front and drawer finished in natural varnished walnut veneer with drawer interior finished in lacquer (argile or plomb). Interior panels and back panel finished in argile or plomb lacquer. Tops in a choice of black marble-effect ceramic stoneware, argile lacquered glass or plomb lacquered glass. Choice of 4 finish associations – see following page.

DISPLAY UNIT

Rounded carcass and back panel finished in natural varnished walnut veneer. Glazed doors to front with frames in pewter anodised aluminium. Shelves in clear toughened glass. Top in a choice of gloss black marble-effect ceramic stoneware, argile lacquered glass or plomb lacquered glass. Interior finished in argile or plomb lacquer. Choice of 4 finish associations – see following page. Also available with LED illumination (with optional remote dimmer).
